SERVANT EVENTS

Indiana Orphan Grain Train transports donations of foods and supplies for people in need in Indiana and around the world.

We will assemble 100 school supply kits and 30 scrub bucket kits, and tie fleece blankets.

University Lutheran Church and other campus ministries such as this serve Lutheran students and others who are seeking Christ and want to build a relationship with Him through services, Bible studies and activities.

We will assemble 100 welcome kits, which will include snacks, school supplies and devotions, for Indiana University students.

Hands of Mercy began as the internship project of Deaconess Patricia Nuffer to reach people with disabilities in Sudan/South Sudan through two goals: sharing the tangible love of Jesus Christ and marketable skills training.

We will assemble 200 "Clean in Christ" soap sacks and prepare 200 learning kits filled with much-needed supplies for nursery and primary schools.

Phil's Friends provides Christ-centered support and hope to those affected by cancer. Among the many services provided, Phil's Friends sends out thousands of cards weekly to let cancer patients know that they are not alone, that there is hope and encouragement to help them make it through another day.

We will make cards for cancer patients that will uplift, strengthen and give hope.

Trimming and Sorting Stamps to be sold for additional mission funds is a time-honored favorite. What a relaxing way to make a difference and visit with friends! Bring your scissors, any stamps you have been saving and join the fun!

Prayer Warriors The Christian Life committee invites you to sign up to be a Prayer Warrior during the convention. As a Prayer Warrior, you will choose one or more of the five times available to gather in the Living Water prayer chapel and pray for specific requests received, as well as more general needs in the church and world. You may sign up during the Servant Events on Friday, and instructions will be given at that time.

Please note that this year participants will not sign up for a specific Servant Event. Everything will be out and when one project is completed, ladies will move on to the next activity.

Zone Presidents received information on Servant Events at the end of January. Two follow-up letters will describe and request specific items to be donated by each zone, and indicate the Human Care Committee member or representative who will be present at each spring rally to collect the items. Presidents, please share this information in a timely manner with each society in your zone!

With thanks and prayers that God will bless our efforts, *Amy Leineweber and Human Care Committee*

INDIANA DISTRICT CONVENTION BANNER CALL 2016

The LWML Indiana District Convention will be held June 24-26, in Bloomington, IN. Each and every zone is asked to create a banner for the convention. The theme is: **Matthew 16:15-16; “But what about you?” he asked. “Who do you say I am?” Simon Peter answered, “You are the Christ,” the Son of the living God.** Any and all banners should be to the glory of God. If your zone plans to have a banner at convention, you need to let Peg Brettin, Vice President-Conventions and Communications know before the **deadline of May 30**.

Banner guidelines are as follows:

1. Finished banner should be 3' x 5'.
2. Base your banner on the theme of the convention. Do **NOT** use the convention logo.
3. Be creative in materials, color, and design (these are zone expenses).
4. Your zone name should be in the banner or on the front of the banner. Do **Not** abbreviate your zone name. Please make certain your name is attached to your banner on the back side using a 4" x 6" ID. (You are responsible for your zone banner property.)
5. Please attach either two ribbons or Velcro fasteners to the banner prior to convention. Place one fastener at the top and one at the bottom; each centered 10-12 inches from the edge of the back of the banner. The ties should be long enough to tie a bow around a 2"-3" pole or fasten it using the Velcro tabs. This will help hold the banner to the pole and lessen the swinging of the banner when carried.
6. If you are using a dowel rod at the bottom of the banner, please “tack it” to prevent the rod from slipping out.
7. There will be poles provided for carrying and displaying the banner at convention.
8. Please attach the banner to a 1"-2" dowel with a screw eye on each end of the dowel. **Note:** as an aid to hanging the banner on the pole, make a small loop in the middle of the cord. Secure the cord through each screw eye. **Please use a strong quarter inch or 8mm cord.** Make certain it is long enough. It can be shortened. Be certain to attach the cord tightly because the cord will stretch with the weight when the banner is hung. (I encourage you to hang your banner for a few days before bringing it to convention, to adjust for any stretching.)
9. Heavy fabrics or bulky type materials are discouraged because the banner should be easy to handle when carrying. Use your creativity and fellowship in designing and making the banner.
10. Do not forget to let me know by May 30 if you will have a zone banner for the 2016 convention. We would like to have a banner from each of the 21 zones.
11. My email is pjbrettin@yahoo.com and phone is 574-772-3343 for any questions. I will be assisting you at the Bloomington convention.
12. Praise God, and blessings to you all. Go forth and do well. Make a beautiful banner!
